Admission Guideline
for International Students

Incheon City

- Incheon city is the 3rd biggest city in South Korea
- Incheon is located downstream of Hangang River, and its shoreline faces the Yellow Sea. Just located 28km away from Seoul, the capital of South Korea
- International airport and port are located in Incheon city. Which means Incheon is the hub of logistics in South Korea and Northeast Asia
- Incheon is similar to cities such as San Francisco, Washington, and Madrid in terms of latitude
- Housing and living costs are significantly cheaper than in Seoul
